

Email Manager Setup

Email Manager is browser - based email marketing application that enables you to send, track and manage email campaigns and auto responders.

Go to www.yourfirmonline.com.au for more information about Email Manager

- We would like a sign up form on our website
(We will add the signup form to the website setup by us and provide the HTML code to you where you have your own site.)
- A sign up form is not required

Below are a list of the fields that are available to be included in your sign up form. Ones marked are mandatory fields and are included in all forms by default.

- First Name Last Name
- Email Telephone

Other Fields - We suggest that you add no more than 4 more of the available data fields shown below.
